- Celebration 5/12 @ 4pm

Adolescent sexual and reproductive health and well-being

ICRH International Symposium – 4 December 2014

Priority population in new ICRH strategy

ICRH priorities:
evaluations of sexuality education
prevention of teenage pregnancies
the role of gender norms in sexual health

Ongoing projects:
CERCA, ELIMIKA, GEAS

Today

Sexual and reproductive health promotion for adolescents and young people: what's new?

The concept of sexual health and well-being of adolescents and young people: how to define, conceptualize and measure?

Evaluating complex interventions: debate
